ZEE'S VIRTUAL LIBRARY

HOW IT WORKS?

STEP 1

Child Registration:

Parent(s) submit a submission form for their child via our website. We collect the data to create a book order system.

STEP 2

Processing:

Our partner Zee Gives Back pays $9.61 per child towards wholesale books and the mailing cost per each book sent out to a child or program.

STEP 3

Fulfilment:

Founder Zollyann Howell coordinates with volunteers to provide book selections and order fulfilments to families and affiliates. As well as promotion for enrollment and donations.

STEP 4

Book Deliveries:

Books are delivered to each child via mail and addressed and labeled in the Child's Name.
